Professional Summary

Computer Science graduate with a strong foundation in Java, Python, SQL, HTML, CSS, JavaScript, and React.js. Currently pursuing the Junior Software Developer internship provided by Scope Tech. Looking for an entry-level Software Developer opportunity to apply my skills and continue learning.

Experience

Junior Software Developer Intern - Scope Tech Software Solution (6 months)

Technologies: Java, Spring, Spring Boot, React.js, REST API, HTML, CSS, JavaScript, SQL, MySQL, Git, GitHub

- Gaining hands-on experience in software development and real-time project implementation.
- Collaborated with the team to design, develop, test, and maintain web applications.
- Worked on real-time projects, enhancing problem-solving, teamwork, and software development skills while following Agile development practices.

Projects

Smart Drone Battery Prediction Using Machine Learning

Technologies: Python, Flask, Scikit-learn, HTML, CSS, JavaScript, REST API

- Developed a web-based drone battery prediction using machine learning to estimate battery performance and flight capability.
- Processed real-time telemetry data from ArduPilot SITL and implemented a Linear Regression model to predict battery performance.
- Built an interactive dashboard to display battery status, prediction results, and flight safety information in real time.

QR Based Attendance System

Technologies: React.js, JavaScript, HTML5, CSS3, Python, Flask, SQL, REST API

- Developed a QR code-based attendance management system to automate student and employee attendance.
- Built a Flask backend with RESTful APIs to manage user authentication and attendance records.

Certifications

- **Junior Software Developer Internship** – Scope Tech Software Solution
- **Python Programming Internship** – Pantech E-Learning
- **Web Development Course** – Infotact Solutions

Skills

- **Programming Languages** – Java, Python, JavaScript (ES6+), SQL
- **Frontend Technologies** - HTML5, CSS3, React.js
- **Backend Technologies** - Spring Framework, Spring Boot, REST API, Flask
- **Developer tools**- Git, GitHub, VS Code, Eclipse IDE, IntelliJ IDEA

Education

B Tech Computer Science and Engineering
Bharathidasan University

(2022–2026)
CGPA: 7.3/10
